Vines are harvested at night when it is much cooler and are then pressed immediately

#### WINEMAKING

Each grape varietal is fermented separately and blended at the end of November then bottled in January

ALCOHOL CONTENT: 12%

# CHÂTEAU PARADIS

## « La Grande Terre » 2018

### Coteaux d'Aix-en-Provence

Nestled in the heart of Provence, Château Paradis lives up to its name as a hidden paradise of lyrical landscapes and seductive wines. The estate of Château Paradis totals 160 hectares of which 80 hectares are dedicated to vineyards. Within this 80-hectares is an exceptional 9-hectare parcel (*Lieu-dit*) of vines called "La Grande Terre," GPS N 43° 37' 51" by E 5° 28' 52". The 30-year old rootstocks of these vines reach down deep into a rich clay-limestone terroir some 650 feet above sea level.

Located on the north face of the Trevaresse Mountain in front of the Durance River, the vines benefit from the Mistral winds coming from the Rhône valley and a cool climate that follows the river. Syrah, Grenache and Cabernet Sauvignon vines thrive in the warm Mediterranean climate and produce a perfectly crafted rosé wine. Clay imparts power and aromatics to the wine, while the chalky limestone rounds it out, bringing fruit notes and a nice minerality.

Renown Rhône consultant winemaker, Michel Tardieu partnered with Philippe Cambie (Robert Parker's 2010 Winemaker of the Year) to produce La Grande Terre from this unique *lieu-dit* parcel of vines. The resulting wine has delightful white flower aromas mingled with juicy peach notes and a streak of mouthwatering minerality. The Grenache imparts elegant aromas of small red fruits and brings roundness and strength to the wine while Syrah adds a lovely touch of spice. The Cabernet Sauvignon contributes structure and tannins. A great wine to share with friends over grilled meats and vegetables à la Provençal.

#### ACCOLADES 91 Points, International Wine Report

*The 2018 "La Grand Terre" is a pretty Rosé which begins with inviting aromas of wild strawberries and white peaches along with orange zest and a lovely streak of minerality. On the palate this is beautifully balanced and precise, with vibrant acidity keeping it bright and lively through the finish.*
